# National Informatics Centre

Ministry of Electronics and Information Technology  
GOVERNMENT OF INDIA

## RECRUITMENT For Scientific and Technical Posts Vacancies to be filled up on direct recruitment basis

National Informatics Centre (NIC) was established in 1976, and has since emerged as a “prime builder” of e-Government / e-Governance applications up to the grassroots level as well as a promoter of digital opportunities for sustainable development. NIC has been instrumental in steering e-Government/e-Governance applications in government ministries/departments at the Centre, States and Districts, facilitating improvement in government services, wider transparency, promoting decentralized planning and management, resulting in better efficiency and accountability to the people of India. “Informatics-led-development” programme of the government has been spearheaded by NIC to derive competitive advantage by implementing ICT applications in social & public administration. The following major activities are being undertaken:

- o Setting up of ICT Infrastructure
- o Implementation of National and State Level e-Governance Projects/Products
- o Consultancy to the Government departments
- o Research & Development
- o Capacity Building

National Institute of Electronics and Information Technology (NIELIT) invites applications, on behalf of Ministry of Electronics and Information Technology (MeitY), from eligible and qualified candidates for filling up of following Scientific & Technical Posts in National Informatics Centre (NIC).
